

Theatre Scholarship Application (Current/Transfer Theatre Students)

The Department of Theatre, Film, and Media Arts awards a number of merit-based scholarships to deserving students each year. Current or incoming Theatre Majors are encouraged to apply for a range of general and specialized scholarships through this scholarship application. Declared Theatre, Musical Theatre, and Entertainment Design and Technology Minors are also eligible for select scholarship awards as noted in the descriptions below. Students studying in other disciplines within the department should consult theatreandfilm.osu.edu, sfa.osu.edu, and/or their advisor for more information about scholarship opportunities for which they may be eligible.

The scholarship committee takes many things into account when considering applications, including the student's stated goals, overall achievements and involvement, grade point average, leadership and professionalism, progress towards degree, and financial need. Most scholarships awarded to current students are one-time awards, with an average award amount of \$1500.

To apply for a Theatre scholarship, complete this form and return it, along with all additional required materials to the Department of Theatre, Film, and Media Arts by February 7. Materials may be emailed to theatreandfilm@osu.edu or delivered in hard copy to 1089 Drake Performance and Event Center. Any questions may be directed to the Academic Program Coordinator by contacting the main office at theatreandfilm@osu.edu or 614-292-5821.
