Rules Pertaining to Grades

- Students must earn a C- or above for any course counted in the major.
- The minimum cumulative grade point average for the courses in the major program is 2.25.
- Students must earn a D or above for any GE course.
- Course taken on a pass/non-pass or S/U basis cannot be used to fulfill GE requirements.

Rules Pertaining to Credits-to-Graduation

Students need at least 121 semester credit hours to graduate with a BA in Theatre. Students must have completed the Arts and Sciences General Education Requirements for the Bachelor of Arts and all requirements for the Major in Theatre. Meet with your advisor regularly to ensure you are meeting all the requirements of the degree.

Rules Pertaining to Overlaps in the GE and the Theatre Major

In general, major courses may not be used to meet requirements in the GE. For Theatre majors, there is one exception to that rule: students may double-count Theatre 2100 as the GE Literary, Visual and Performing Art requirement AND as the prerequisite for the theatre major.

Exceptions to the standard Theatre Major program

If a student's major program deviates from the standard major program, the exception(s) must be approved by the Department of Theatre through the process of petitioning. Petition forms and procedures can be obtained from the Director of Undergraduate Studies or the Department of Theatre Main Office and filed with the academic advisor. If approved, the exception(s) will be noted on the student's electronic Degree Audit Report.
