## Requirements for a Minor

Minor programs are not required for graduation.

A student may not take a major and a minor in the same subject. Courses used on the minor may not be used for the major.

Where appropriate, overlap between the GE and a minor is permissible unless specifically disallowed for an individual minor.

All minors require a minimum of 12 credit hours; some require more.

Transfer credit hours allowed. No more than one half of the credit hours required on the minor.

No Film Studies minor course can be repeated without pre-approval from the Film Studies Program office.

When students complete more than one minor, each minor must contain a minimum of 12 unique hours.

No grade below a C- will be permitted in courses comprising the minor; the minimum of 12 unique hours.

Courses taken on a Pass/Non-Pass basis may not be applied to the minor.

Some minors need individual approval by a faculty member; others do not.

Students are not required to file their minor programs until filing graduation applications.

Once a minor program form is on file in the college office, any changes must be approved by the departmental (minor) advisor. Students are strongly encouraged to declare the minor and file the minor program form as early as possible; declaration of the minor and filing of the minor program form must occur at least one term prior to the graduation term.

**For questions about minor programs and requirements, please contact the Academic Advisor or Program Coordinator for Film Studies and Moving-Image Production.**
